National Association of Chronic Disease Directors (NACDD)

November 13, 2018

Heather Murphy, NACDD Arthritis Lead

National Association of Chronic Disease Directors (NACDD)

- NACDD is a non-profit Public Health organization committed to serving the chronic disease program directors of each state and U.S. jurisdiction.
- Founded in 1988, NACDD connects more than 3,000 chronic disease practitioners to advocate for preventive policies and programs, encourage knowledge sharing, and develop partnerships for health promotion.
- Since its founding, NACDD has been a national leader in mobilizing efforts to reduce chronic diseases and their associated risk factors through state and community-based prevention strategies.

Our Mission

The National Association of Chronic Disease Directors improves the health of the public by strengthening state-based leadership and expertise for chronic disease prevention and control in states and at the national level.

- National Organizations funded
 - National Association of Chronic Disease Directors (NACDD)
 - National Recreation and Parks Association (NRPA)
 - University of North Carolina at Chapel Hill (OAAA)
 - Y-USA
- Component 1 - Focus on Delivery Systems and Environmental Approaches
- Expand reach or availability of AAEBIs; increased financing or sustainable supports for AAEBI dissemination, delivery, or referrals

NACDD 1606 Project

- **Goal 1:** Increase financing and other sustainable supports for AAEBI dissemination, delivery and referrals via the development and implementation of an employer/payor infrastructure
 - Working with three main partners – MedWorks, the Health Promotion Council in Philadelphia, and the Greater Philadelphia Business Coalition on Health to recruit at least two employers with the goal of policy/systems changes supporting efforts to include AAEBIs as part of an employee wellness/benefits structure
- **Goal 2:** Increase availability of and participation in the AAEBIs due to the implementation of an effective intervention dissemination and delivery model.
 - This is a revision of our AAEBI project with the APTA and physical therapy associations; expanding the focus to include the AOTA other national/regional organizations that can serve as AAEBI HUBs; funded groups will work with local affiliates to implement AAEBIs (focus on WWE)
 - Funding for approximately 4 AAEBI HUBs; one HUB will be Baylor Scott & White Health in Dallas, TX; currently negotiating with others; possibility of an RFP
