CSDE and DPH are offering eight school districts an opportunity to participate in an exciting five-year initiative. All LEAs may apply, however, if more than eight applications are received, districts will be selected based on a variety of factors including need, capacity and readiness.

Please answer the following questions by placing your response in the box below each question. There is a five page-limit (including questions) for this application.

- 1.) Describe the district's need to create healthy nutrition and physical activity environments in schools. Also describe the district's need to support students with chronic health conditions. Explain how this partnership will support district goals.

- 2.) Describe the district's capacity and readiness to commit to each of the following:
 - ✧ Create supportive nutrition environments;
 - ✧ Implement Comprehensive School Physical Activity Programs;
 - ✧ Create supports for students with chronic health conditions;
 - ✧ Assign key staff to participate in the partnership;
 - ✧ Participate in professional development activities;
 - ✧ Build and sustain effective teams and advisory committees;
 - ✧ Strengthen community partnerships and parent engagement;
 - ✧ Track policy adoption and monitor policy implementation; and
 - ✧ Participate in required data collection activities including the Connecticut School Health Survey and School Health Profiles.

- 3.) Describe the level of administrative support for this partnership.

The application deadline is November 15, 2013. Districts will be notified of acceptance by November 25, 2013. Submit applications electronically to:
