Poverty:

% of people living below the poverty level (2007-2011) = 16.2(*US Dept of Commerce, US Census Bureau*)

Funding

FFY 2012 funding level:

FY12 Estimated total: \$ 875,912

FY 2014 funding level

SPHA Basic Award: \$ 624,404

Enhanced Award Requested: \$2,000,000

SPHA Enhanced Award: \$1,291,468

Staffing Impact:

Total FTEs lost 0

Program Impact:

- Positive -We will be able to continue our internal collaboration strategies that began prior to the SPHA Program. We had several initiatives already in place with internal and external partners - including local county health departments, community organizations and non-profit groups.
- Negative - As of 7/12/13, we have yet to have a one-on-one discussion with our CDC Project Officer regarding our Enhanced portion of the SPAH. We received \$708,532 less than requested.
