Poverty:

% of people living below the poverty level (2007-2011) = 13.1(*US Dept of Commerce, US Census Bureau*)

Funding

FFY 2012 funding level:

FY12 Estimated total: \$1,234,207

FY 2014 funding level

SPHA Basic Award:	\$ 555,757
Enhanced Award Requested:	\$ 2,650,000
SPHA Enhanced Award:	\$ 0

Staffing Impact:

Total FTEs lost 2

Program Impact:

- Negative - Illinois will not be able to award funding for community-based projects related to chronic disease prevention and control and school health. In past years, the department has awarded almost \$400,000 annually to local health departments and community-based organizations to implement diabetes self-management programs. These grants will not be funded in the next fiscal year.
- Negative - Illinois will not be able to support its program staff fully and will not be able to fill a key staff position to work on Domain 3 activities.
