Poverty:

% of people living below the poverty level (2007-2011) = 9.4 (*US Dept of Commerce, US Census Bureau*)

Funding

FFY 2012 funding level:

FY12 Estimated total: \$1,890,870

FY 2014 funding level

SPHA Basic Award: \$ 538,218
Enhanced Award Requested: \$2,000,000
SPHA Enhanced Award: \$1,348,826

Staffing Impact:

Total FTEs lost 0

Program Impact:

- Negative - Current grant funding award will not support the activities we described in the grant application thus reducing the statewide impact
- Negative - The coordinated school health program will require modification and renegotiation for paid full time staff and re-prioritizing aspects of the implementation plan from the grant submission
