

## State Burden

### **NPAO:**

- In 2007, 65% of adults in South Carolina were overweight or obese and 17% of high schools students were overweight, based on self-reported height and weight.
  - 83% of high school students and 81% of adults in South Carolina consumed fewer than 5 fruits and vegetables per day.
  - 60% of South Carolina high school students did not attend physical education classes.
  - 54% of adults in South Carolina were not engaged in sufficient moderate or vigorous physical activity.
- Excerpt from CDPHP State Profiles at [www.cdc.gov](http://www.cdc.gov)*

### **Diabetes:**

- 1,187 adults in South Carolina died from diabetes mellitus in 2005.
  - In 2007, about 9% of adults in South Carolina reported being diagnosed with non-pregnancy related diabetes.
- Excerpt from CDPHP State Profiles at [www.cdc.gov](http://www.cdc.gov)*

### **Heart Disease:**

- Heart disease accounted for 24% of deaths in South Carolina in 2005, while stroke caused 6% of deaths.
  - In 2007, 30% of adults in South Carolina reported having high blood pressure (hypertension) and 39% of those screened reported having high blood cholesterol, which puts them at greater risk for developing heart disease and stroke.
- Excerpt from CDPHP State Profiles at [www.cdc.gov](http://www.cdc.gov)*

### **Poverty:**

% of people living below the poverty level (2007-2011) = 17.0(*US Dept of Commerce, US Census Bureau*)

## Funding

### **FFY 2012 funding level:**

FY12 Estimated total: \$2,880,595

### **FY 2014 funding level**

SPHA Basic Award: \$ 603,000  
Enhanced Award Requested: \$1,800,000  
SPHA Enhanced Award: \$1,240,000

### **Staffing Impact:**

Total FTEs lost 2

## Program Impact:

- Healthy Schools: Unclear until final discussions with CDC are concluded. Overall, SC had about an 18% cut to personnel, between Basic and Enhanced requested funding, and what we received
- Diabetes: Unclear until final discussions with CDC are concluded. Overall, SC had about an 18% cut to personnel, between Basic and Enhanced requested funding, and what we received
- HDSP: Unclear until final discussions with CDC are concluded. Overall, SC had about an 18% cut to personnel, between Basic and Enhanced requested funding, and what we received
- Obesity: Unclear until final discussions with CDC are concluded. Overall, SC had about an 18% cut to personnel, between Basic and Enhanced requested funding, and what we received
