

# BREAST & CERVICAL CANCER SERVICES

## WHAT A PROVIDER NEEDS TO KNOW

The Breast and Cervical Cancer Services program provides eligible low-income women with access to no-cost breast and cervical cancer screening and diagnostic services, patient navigation, and cervical dysplasia treatment. The BCCS program is funded in part by the Centers for Disease Control and Prevention through the National Breast and Cervical Cancer Early Detection Program. Through this partnership, BCCS providers served more than 33,500 women and detected 450 cases of cancer in 2015.

## WHAT SERVICES ARE COVERED?

The program offers the following services:

- Clinical breast examination
- Screening mammogram
- Pelvic exam and Pap test
- Diagnostic services
- Cervical dysplasia services
- Patient navigation
- Help with Medicaid for Breast and Cervical Cancer applications

## HOW DO CLIENTS ENROLL?

Clients complete an application form onsite with a participating provider.
