

FREE CANCER SCREENING

The Every Woman's Life (EWL) program provides free breast and cervical screening and follow-up services to low-income, uninsured, Virginia women.

Patients diagnosed with breast or cervical cancer **through EWL** may be able to receive treatment through Medicaid.

EWL services are provided by many doctors across Virginia.

FREE CANCER SCREENING

EWL Eligibility:

- Live in Virginia
- Uninsured
- 40-64 years of age
(18-39 if symptomatic or high risk)
- Meet low-income guidelines
