

Anita Salas Memorial Fund

The Anita Salas Memorial Fund provides financial assistance for breast and cervical cancer services incurred by New Mexican women screened by the Breast and Cervical Cancer Early Detection Program or part of special grants or projects approved by the Board.

Funds may be provided for:

- Payment for diagnostic, treatment, or physician services not covered by any other payer; including co-pays and deductibles for women with insurance;
- Gas reimbursement or other related services for cancer treatment such as childcare, medications, and lodging for women in rural areas who require travel for treatment; and
- Other services deemed appropriate on a case-by-case basis.

If you are in the BCC Program and think you **MAY** be eligible for the Anita Salas Memorial Fund, please call our case manager at (505) 841-5896.
