“ I’m a six-year breast cancer survivor. Early detection saves lives. ”

What if something is found on my screening test? I have no health insurance to pay for treatment.

Screening sites will work with you to provided needed services. If you have no health insurance and are found to have breast or cervical cancer through the NH Healthy Lives Breast and Cervical Cancer Program, you will be enrolled in Medicaid. Medicaid will pay the cost of treatment.

Funding provided through a cooperative agreement with the Centers for Disease Control and Prevention (Grant #NU58DPO0-0298) and the NH Department of Health and Human Services.
