

What is the reach of the program in each county?

November 2020

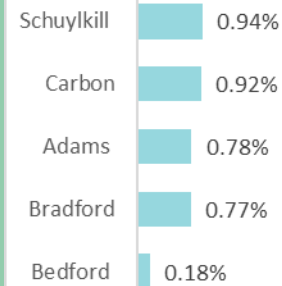

Percentage of eligible clients served through direct screening in each county based on U.S. Census estimates.

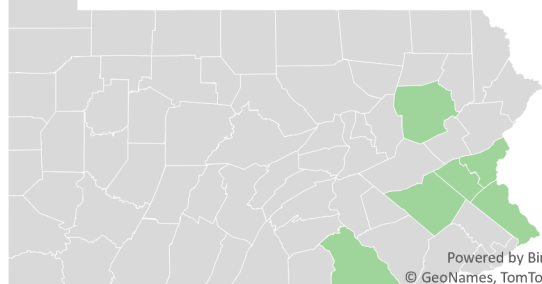

Counties with Highest Reach

Counties with Lowest Reach

Counties with a large population but small reach

These counties are a good target for recruitment:

- Luzerne
- York
- Northampton
- Bucks
- Lehigh
- Berks

How is the reach calculated?

Percentage of eligible population served

PA-BCCEDP clients living in a county
 Eligible population in a county
