

Partnership to promote Women's Health Exams

➤ Cherokee Nation Home Health and Hospice

And

➤ Go Ye Village Retirement Center

Visited with Directors about encouraging employees to get women's exams

Center received Purple masks as a reminder to employees get their mammograms and pap test.

Plans are to return in October with Breast Cancer awareness material for each staff member.

Also will complete bulletin board for Breast Cancer Awareness in October for each organization.

We will be giving a pretest and posttest to measure our success.
