

Whether you think it's big or small, share one WIN from your SPINE project this past month.

We have had Unite Us successfully present at several of our local coalitions

Starting to build relationships with the community

Engaging partners in the specific geographic area we are working on that we have not engaged with before! Had a great discussion with the K-State Research and Extension staff

Scheduled Strategic Action Planning meeting for later this month and have scheduled one on one interviews and focus groups

Selected 5 counties to participate in the LHIC food security program

Health equity training and successful recruitment of participants.

Cross collaboration between two contractors!

We successfully applied to and participated in the SOPHE Action Planning Institute. We incorporated our 2 year plans into our State Obesity Plan. We will implement the HER guidelines at both OK Food Banks and SWAP at many local-level pantries.

What would you like to hear about in the upcoming STLOs & Peer Exchanges? (Rank from most interested to least interested)
