

Partnership Assessment Tool

Partnership to assess: _____

Check the statements that best apply to your partnership

Internal and External Relationships

- ☐ My partner and I share an understanding of the goals our partnership seeks to achieve.
- ☐ My partner and I bring complementary expertise to the partnership and maximize the unique value we each bring.
- ☐ We fully leverage our relationships with the community, funders, and other professional networks to advance our partnership's goals.
- ☐ Leadership and key staff at each partner organization are supportive of the partnership and the organization's participation in it.

Service Delivery and Workflow

- ☐ We have the necessary time, people, and expertise to deliver effective services to our target population.
- ☐ We engage our target population to inform and improve service delivery.

Funding and Finance

- ☐ We understand the full cost of partnership and incorporate this into our funding model.
- ☐ We have reliable revenue streams sufficient to cover the full cost of partnership.
- ☐ My partner and I are aligned on the financial goals of our partnership and understand each other's financial priorities.

Data and Outcomes

- ☐ The data our partnership collects accurately conveys progress toward our shared goals.
- ☐ Our partnership uses the data we collect to improve the way we deliver our services.
- ☐ We are able to demonstrate and articulate our outcomes using the data we collect.

Answer these questions

- 1) What areas do you need to work on?

- 2) Rank them according to your priorities of working on it.
