Monthly All States Call

November 15, 2022

Updating your SAP

- Same process as used between Y1 and Y2. Begin with Y2 SAP:
 - Via track changes, delete all that is not applicable
 - Via track changes, add applicable information
 - Include brief description of community-level work on final page of SAP, after Community Information table
 - Disregard guidance on minimum # of outcomes to select, etc.
- Once approved:
 - Y3 SAP will be entered into the Hub for future progress reporting

Important Dates
