BUILDING RESILIENT AND INCLUSIVE COMMUNITIES
Public Health AmeriCorps (Washington) Service Opportunity

PROGRAM PURPOSE:
The National Association of Chronic Disease Directors (NACDD) is a national public health non-profit agency focused on the health of the public by strengthening state and national leadership and expertise for chronic disease prevention and control. NACDD’s core membership is composed of the 58 State and Territorial Health Department Chronic Disease Directors and their staff who protect the health of the public through primary and secondary prevention efforts and work “upstream” on root causes of chronic conditions. NACDD promotes health and reduces the burden of chronic disease through various programs and initiatives. Among them is the Building Resilient and Inclusive Communities (BRIC) program being implemented across 20 states in collaboration with the Centers for Disease Control and Prevention’s (CDC) Division of Nutrition, Physical Activity, and Obesity and the Division of Population Health, and a team of nationally recognized experts.

To enhance public health resources across the country and support state and local public health settings respond to and recover from the COVID-19 pandemic, the Public Health AmeriCorps (PHA) program supports the recruitment, training, and development of the next generation of public health leaders. In partnership with a State Health Department or similar agency, local health department(s) or other community-based organization(s), and/or a local YMCA or YMCA State Alliance, Service Members will be placed across ten BRIC states to advance existing efforts around food and nutrition security, safe physical activity access, social connectedness, and health equity, all within the context of the impact of the COVID-19 pandemic.

SPECIFIC SERVICE FUNCTIONS AND RESPONSIBILITIES:
The PHA Service Member will serve as a key staff member with the BRIC Program project in Inchelium, performing public outreach, and data collection to help drive and guide the project forward. Responsible for communicating with community members, managing community events, collecting data, filing reports, developing and maintaining relationships with community, and other duties as assigned helping to develop a community meeting place focused on connectedness and healthy food. The general responsibilities of the Service Member include:

- Integrating community informed narrative with evidence-base to create storytelling
- Researching and reporting on current and relevant ethnic/cultural components that may inform approach in community
- Collaborating with community, community partners and involved entities as a representative of and in collaboration with the Department of Health
- Exploring and evaluating opportunities for partner engagement to maximize reach and impact
- Performing other duties as assigned
DESCRIPTION OF ANTICIPATED SERVICE SCHEDULE:
- Hybrid service hours
- Service hours are to be completed Monday-Friday between the hours of 8:00am and 5:00pm PT
- A maximum of 20% of your service hours may be training, education, or other similar approved activities.

DESIRED SKILLS & COMPETENCIES
- Socially connected in the local community
- Knowledge and/or experience in food systems work including but not limited to charitable food systems.
- Knowledge and experience with food and nutrition security issues, programs that address those issues, and equity concerns within them.
- Knowledge and experience cooking meals from scratch using unprocessed ingredients
- Familiarity with historically and currently minoritized populations and trauma-informed approach
- Knowledge and experience working collaboratively across and within teams
- Knowledge and experience developing and working with spreadsheets
- Ability to prepare reports, correspondence, and documentation, as assigned
