BUILDING RESILIENT AND INCLUSIVE COMMUNITIES
Public Health AmeriCorps (Washington) Service Opportunity II

POSITION OVERVIEW:
Position Name: Building Resilient & Inclusive Communities (BRIC) Public Health AmeriCorps Service Member
Position Type/Hours: Three Quarter Time/1200 hours
Service Location: Washington State Department of Health
111 Israel Rd. SE, Tumwater, WA 98501
Living Allowance: $11,840.00
Education Award: $4,546.50
Total Award: $16,386.50

PROGRAM PURPOSE:
The National Association of Chronic Disease Directors (NACDD) is a national public health non-profit agency focused on the health of the public by strengthening state and national leadership and expertise for chronic disease prevention and control. NACDD’s core membership is composed of the 58 State and Territorial Health Department Chronic Disease Directors and their staff who protect the health of the public through primary and secondary prevention efforts and work “upstream” on root causes of chronic conditions. NACDD promotes health and reduces the burden of chronic disease through various programs and initiatives. Among them is the Building Resilient and Inclusive Communities (BRIC) program being implemented across 20 states in collaboration with the Centers for Disease Control and Prevention’s (CDC) Division of Nutrition, Physical Activity, and Obesity and the Division of Population Health, and a team of nationally recognized experts.

To enhance public health resources across the country and support state and local public health settings respond to and recover from the COVID-19 pandemic, the Public Health AmeriCorps (PHA) program supports the recruitment, training, and development of the next generation of public health leaders. In partnership with a State Health Department or similar agency, local health department(s) or other community-based organization(s), and/or a local YMCA or YMCA State Alliance, Service Members will be placed across ten BRIC states to advance existing efforts around food and nutrition security, safe physical activity access, social connectedness, and health equity, all within the context of the impact of the COVID-19 pandemic.

SPECIFIC SERVICE FUNCTIONS AND RESPONSIBILITIES:
The PHA Service Member will serve as a key staff member with the BRIC Program project at the state and community level performing assistance in public outreach and acting as a liaison for technical support and assistance. Responsible communicating with community members, managing community events, collecting data, filing reports, developing and maintaining relationships with community, and other duties as assigned to progress policy, systems, and environmental change-oriented deliverables under the strategy areas of nutrition security, safe spaces for physical activity, and social connection. The general responsibilities of the Service Member include:

▪ Collaborating with BRIC contracted communities to ensure deliverables are progressing, reporting timelines are met and coordinate needed technical assistance
▪ Act as liaison between WA State Department of Health and BRIC contracted WA Communities
▪ Support communities in developing and delivering community engagement strategies
▪ Add capacity to ongoing efforts of programmatic implementation and/or data collection, as needed.
▪ Promote BRIC work through communications including social media, press, and partner messaging
▪ Communicate effectively within various groups across socio-demographic strata
▪ Performing other duties as assigned
DESCRIPTION OF ANTICIPATED SERVICE SCHEDULE:

- Hybrid service hours
- Service hours are to be completed Monday-Friday between the hours of 8:00am and 5:00pm PT
- A maximum of 20% of your service hours may be training, education, or other similar approved activities
