## Cultural Competence and Humility in Nutrition Security Interventions

**Register Here**

<https://chronicdisease.zoom.us/meeting/register/tZUIf-ysqjoiEtAARGRgN0d40fkrT7Huknym>

**Attendees:** SPINE States, NACDD staff, CDC staff

**Purpose:** During this session, participants will gain a shared understanding of cultural competence and how it can be applied to nutrition interventions, including those that address nutrition security. Participants will learn about the theoretical models and assessment tools that help assess individual and program cultural competence, as well as explore the limitations of using such models. Finally, participants will have the opportunity explore cultural humility and how institutions can move towards embodying this paradigm.
