

National Association of Chronic Disease Directors (NACDD)
CDC Arthritis Expert Advisory Panel and Design Team
May 23, 2023 (10-11:30 a.m. ET)

Objectives:

- Examine arthritis appropriate evidence interventions (AAEBIs) and how they support modified physical and behavior change across arthritis disease progression
- Refine care pathway for the arthritis care model screening component
- Examine methodology to support brief advice/counseling/ triage and associated counseling tools to recommend for health system pilot
- Assess how PROMIS+PAVs thresholds and other considerations (e.g. health status, risk assessment, patient preference) may drive care pathway
- Engage in peer-to-peer sharing, learning, and networking

Time (ET)	Mins	Agenda Topics	Facilitator / Presenter	Follow-up Items
