

## 2022 MCRCCP Annual Partner Survey (Group B)

### General Questions

1. Overall, how would you rate your experience as a partner in the Michigan Colorectal Cancer Control Program (MCRCCP)?

- Very positive
- Somewhat positive
- Neutral
- Somewhat negative
- Very negative

2. How well did you understand the purpose of the project?

- Extremely well
- Very well
- Somewhat well
- Not so well
- Not well at all

3. How well did you understand the expectations of the project?

- Extremely well
- Very well
- Somewhat well
- Not so well
- Not well at all

4. How likely is it that you would recommend participation in this project to another clinic or colleague?

Not At All Likely

Extremely Likely

## 2022 MCRCCP Annual Partner Survey (Group B)

### Readiness Assessment

The readiness assessment consisted of two grant activities that occurred between October 2021 and January 2022:

1. The MCRCEDP Needs Assessments (Online Surveys/Self-Assessment, Nov 2021)
2. The EHR Assessment (Conducted by Michelle Fejedelem, Jan 2022)

5. On a scale of 1 to 5, please specify how effective the following readiness assessment processes were in helping to uncover clinic needs and gaps to CRC screening:

	Extremely effective	Very effective	Neutral	Not very effective	Not at all effective	N/A
Needs Assessment Surveys	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
EHR Assessment	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

6. In what ways was the assessment process helpful in uncovering clinic-level needs and gaps to CRC Screening?

7. In what ways can the assessment process be improved to better capture clinic-level needs and gaps?

## 2022 MCRCCP Annual Partner Survey (Group B)

### Clinic Implementation Plan

During the first year of the grant a Clinic Implementation Plan was written to guide EBI Implementation.

8. Was the Clinic Implementation Plan useful to your clinic in helping to plan project activities?

- Extremely useful
- Very useful
- Neutral
- Not so useful
- Not at all useful
- Other - I am not sure what the clinic implementation plan is

9. How could the EBI implementation planning process be improved for future partners?

Technical Assistance

10. On a scale of 1 to 5, how helpful were the following project activities

	Extremely helpful	Very helpful	Neutral	Not very helpful	Not at all helpful	N/A
Monthly TA calls with MDHHS	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Baseline Data Collection	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Quarterly Peer-to-Peer Lunch and Learn Webinar Series (Facilitated by MDHHS)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
American Cancer Society's Quality Improvement Learning Collaborative	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Ongoing Health IT support provided by Michelle Fejedelem	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
MPCA Annual Cancer Forum (half-day webinar, 06/02/22)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

11. How well supported by MCRCCP staff did you feel while participating in the project

- Very supported
- Somewhat supported
- Neutral
- Somewhat unsupported
- Very unsupported

12. How responsive have MDHHS staff been to your questions or concerns?

- Extremely responsive
- Very responsive
- Somewhat responsive
- Not so responsive
- Not at all responsive

13. Please specify any recommended changes or improvements to following project activities

Monthly TA calls	<input type="text"/>
Baseline Data Collection	<input type="text"/>
Quarterly Peer-to-Peer Lunch and Learn	<input type="text"/>
American Cancer Society's Quality Improvement Learning Collaborative	<input type="text"/>
Health IT support	<input type="text"/>
MPCA Annual Cancer Forum (webinar, half-day)	<input type="text"/>
Other program activities	<input type="text"/>

14. Describe the clinic's time commitment for this project.

- Too much time was required of the project
- Just enough time was allocated for the project
- Not enough time was allocated for the project

Comments

15. Did your clinic have sufficient resources to meet the needs of your clinic, along with the needs of the project?

Yes

No

16. If your clinic did not have sufficient resources to meet the needs of the project, please describe what resources were needed.

17. On a scale from 1 to 5, with "1" being "no change in confidence" and "5" being "major increase in confidence", how much has your confidence in your ability to use EMR data to assess CRC screening rates and processes improved as a direct result of participation in this grant?

1 5

---

18. Have you experienced increased opportunities to collaborate with other clinics on the topics of EBIs, quality improvement, cancer screening as a result of participation in this project?

Yes

No

## 2022 MCRCCP Annual Partner Survey (Group B)

### Funded Colonoscopies

As part of the MCRCCP project, funding was offered to clinics to fund up to two

diagnostic colonoscopies for uninsured or underinsured patients.

19. Were the instructions for requesting funding colonoscopies clear?

Yes

No

20. If the instructions were not clear, what information was needed?

21. Did you experience any challenges with identifying patients that were eligible for funded colonoscopies? (yes/no)

Yes

No

22. If you did experience challenges with identifying eligible patients, please describe these challenges in detail.

23. Did you experience any challenges with identifying providers to provide services for the funded colonoscopies?

Yes

No

24. If you did experience challenges with identifying providers, please describe these challenges in detail.

25. Do you foresee any other problems with access or use of funded colonoscopies?

26. If yes, please describe.

27. Please describe challenges with identifying patients that were eligible for funded colonoscopies.

Additional Feedback

28. How has the project participation improved the colorectal cancer screening process or EBI implementation capacity for your clinic or health center?

29. While participating in this project, what insights have you learned about your clinic, your staff, and/or the patient population that your clinic serves as it relates to colorectal cancer screening.

30. Please describe any additional challenges that you or your staff have experienced during your participation in this project.

31. Do you have any additional feedback for MCRCCP staff?

32. How could the project be improved for future partners?
