

**National Association of Chronic Disease Directors (NACDD)
 CDC Arthritis Expert Advisory Panel and Design Team
 June 13, 2023 (10-11:30 a.m. ET)**

Objectives:

- Refine care pathway for the arthritis care model counseling component
- Examine methodology to support brief advice/counseling/ triage and associated counseling tools to recommend for health system pilot
- Assess how PROMIS+PAVs thresholds and other considerations (e.g. health status, risk assessment, patient preference) may drive care pathway
- Explore potential referral mechanisms
- Engage in peer-to-peer sharing, learning, and networking
