PROGRAM PURPOSE:

The National Association of Chronic Disease Directors (NACDD) is a national public health non-profit agency focused on the health of the public by strengthening state and national leadership and expertise for chronic disease prevention and control. NACDD's core membership is composed of the 58 State and Territorial Health Department Chronic Disease Directors and their staff who protect the health of the public through primary and secondary prevention efforts and work "upstream" on root causes of chronic conditions. NACDD promotes health and reduces the burden of chronic disease through various programs and initiatives in collaboration with the Centers for Disease Control and Prevention's (CDC) Division of Nutrition, Physical Activity, and Obesity and the Division of Population Health, and a team of nationally recognized experts.

To enhance public health resources across the country and support state and local public health settings respond to and recover from the COVID-19 pandemic, the Public Health AmeriCorps (PHA) program supports the recruitment, training, and development of the next generation of public health leaders. In partnership with a State Health Department or similar agency, local health department(s) or other community-based organization(s), and/or a local YMCA or YMCA State Alliance, Service Members will be placed across fifteen states to advance existing efforts around food and nutrition security, safe physical activity access, social connectedness, and health equity, all within the context of the impact of the COVID-19 pandemic.

SPECIFIC SERVICE FUNCTIONS AND RESPONSIBILITIES:

The PHA Service Member will support the Office of Community Health Improvement, Division of Nutrition, Physical Activity and Obesity, as it relates to the implementation of policy, systems, and environmental (PSE) strategies to reduce disparities related to nutrition security and social connectedness throughout the state. They are responsible for providing programmatic support and will report directly to the Office Director. The Service Member will assist in all nutrition security and social connectedness initiatives at a state and community-level by working alongside the Office Director and division staff to strengthen food and nutrition security expansion and infrastructure within state and community collaborations with existing food banks and pantries and increase snap benefit reach. One of the priority activities related to nutrition security will be working with division and chronic disease programs to develop new obesity state action plan strategies. A priority for social connectedness will be to engage with healthy aging staff to develop and/or expand intergenerational activities. The PHA Service Member will also:

- Participate in partner meetings to discuss nutrition security and social connectedness initiatives throughout the state of Mississippi.
