SERIES  
NOVEMBER 2023

## PEER SPEAKER BIOGRAPHIES

### Call IV - NBCCEDP

#### **Cushanta Horton, MPH**

Branch Head, Cancer Prevention and Control Branch  
North Carolina Division of Public Health

Cushanta Horton is the Branch Head for the North Carolina Cancer Prevention and Control Branch. She oversees five programs that work with local and state partners to reduce the cancer burden in N.C. through system changes, direct cancer screenings, partnerships, and educational awareness campaigns. Cushanta has been with the cancer branch for six years serving previously as the branch's epidemiologist supervisor.

#### **Heather Dolinger**

BCCCP Manager  
North Carolina Division of Public Health

Heather Dolinger has 15 years of public health experience focused on health disparities, health equity, and quality improvement. Her work includes BCCCP in South Carolina and BCCCP and CRCCP in North Carolina. Heather is currently the BCCCP Manager in North Carolina.
