

Arthritis Expert Panel II Agenda

March 21, 2024
4:00pm – 5:00pm (EDT)

Meeting Objectives

1. Establish a collaborative environment by facilitating introductions and highlighting the specific areas of expertise relevant to the Public Health Framework for Collaborative Arthritis Management and Wellbeing present in our meetings.
2. Understand the roles of the partners and collaborators engaged in the implementation of the pilot project.
3. Analyze the pilot project's implementation progress to date, identifying strengths, weaknesses, and any encountered challenges. Collectively brainstorm solutions and refine the implementation strategy based on these reflections.
