

Arthritis Expert Panel II Agenda

June 13, 2024
10:00am – 11:00am (EDT)

Meeting Objectives

1. Foster a collaborative and open-sharing environment that highlights panel members specific areas of expertise enabling members to identify synergies and potential challenges in implementing the Public Health Framework for Collaborative Arthritis Management and Wellbeing.
2. Analyze the pilot project's implementation progress to date, identifying strengths, weaknesses, and any encountered challenges.
3. Identify and evaluate opportunities and challenges for funding and reimbursement of community care hub activities within the Framework, with the goal of developing recommendations for sustainable financing models.

- I. **Welcome, introductions and agenda overview** [5 minutes]
Heather Murphy and Lisa Erck, MS, NACDD Consultants/Arthritis Portfolio
