

Arthritis Expert Panel II Agenda

December 5, 2024
9:00am – 10:00am (EDT)

Meeting Objectives

1. Foster a collaborative and open-sharing environment that highlights panel members specific areas of expertise enabling members to identify synergies and potential challenges in implementing the Public Health Framework for Collaborative Arthritis Management and Wellbeing.
2. Analyze the pilot project's implementation progress to date, identifying strengths, weaknesses, and any encountered challenges.
3. Consider the implications of the foundations of the pilot project toward growing a business case for AAEBI referral.
