PROGRAM PURPOSE:

The National Association of Chronic Disease Directors (NACDD) is a national public health non-profit agency focused on improving the health of the public by strengthening state and national leadership and expertise for chronic disease prevention and control. NACDD's core membership is composed of the 59 State and Territorial Health Department Chronic Disease Directors and their staff who protect the health of the public through primary and secondary prevention efforts and work "upstream" on root causes of chronic conditions. NACDD promotes health and reduces the burden of chronic disease through various programs and initiatives in collaboration with the Centers for Disease Control and Prevention's (CDC) Division of Nutrition, Physical Activity, and Obesity and the Division of Population Health, and a team of nationally recognized experts.

To enhance public health resources across the country and support state and local public health settings respond to and recover from the COVID-19 pandemic, the Public Health AmeriCorps (PHA) program supports the recruitment, training, and development of the next generation of public health leaders. In partnership with State Health Departments, local health departments, other community-based organizations, and/or local YMCAs or YMCA State Alliances, Service Members will be placed across twenty states to advance existing efforts around food and nutrition security, safe physical activity access, social connectedness, and health equity, all within the context of the impact of the COVID-19 pandemic.

SPECIFIC SERVICE FUNCTIONS AND RESPONSIBILITIES:

Since 1978, Prevent Child Abuse North Dakota now Families Flourish North Dakota, has empowered families to thrive by providing community-driven resources to foster safe and nurturing environments for children. It is our vision to support safe and nurturing environments, free from abuse and neglect, for all children. We do this by informing the public that the prevention of abuse and neglect decreases lifelong adverse consequences for children, advocating for a continuum of services, access to those services, and statewide capacity to meet the developmental needs of children and families, and by delivering evidence-based strategies that enable communities to provide for children and families. This includes taking a holistic approach to prevention by focusing on the importance of physical activity, nutrition, and wellness.

The PHA Service Member will primarily support coordination of the Turtle Mountain Healthy Living Coalition (TMHLC), which is aimed at promoting food sovereignty efforts and wellness throughout Rolette County. Key responsibilities will include:
