The main content area is titled "Welcome to NACDD's Member Portal!" and includes a sign-in form with fields for Username and Password, a Sign In button, and links for "Forgot username?" and "Forgot password?". To the right, there are sections for "Engage Community" and "Online Learning Center". At the bottom, a section titled "First time here?" provides instructions for new users. A red arrow points from the text above to the "Forgot password?" link, and a red box highlights the "First time here?" section.
