Core Expectations of Recipients

Lumbé Davis, DHSc
Public Health Advisor

Segment Components

- Identify key expectations related to implementation, accountability, communication, and reporting

From Award to Accountable Impact

Recipients are accountable for translating awarded funds into approved activities, measurable outputs, and complete documentation.

1. **Implement the approved workplan**
2. **Ensure fiscal stewardship and collaboration**
3. **Maintain compliance-ready ddocumentation**
4. **Communicate progress, successes & challenges**
5. **Track deliverables**
6. **Collaborate with teams, partners, and CDC staff**

Day-to-Day Duties Across the Grant Cycle

Grant management is a continuous accountability process: plan, implement, monitor, report, and close out with proper documentation.
